Administrator's comments -

- A meeting was held with EPI regarding their recent unsatisfactory services in picking up the garbage and recyclables. They promised improvements would be immediate. They also mailed cards for reminders of when the garbage and recyclables will be picked up (Thursday). Mayor Staley wants to let them know that they are putting the recyclables in with the garbage.
- Over the past week the septic tank has backed up twice in the Recreation Center. We have one bid for fixing the septic tank of \$950. We will be getting additional bids for the job before having the septic tank repaired.
- Candace LaForge of Newnan-Coweta Chamber of Commerce has arranged a van tour for the Mayor, Council Members and Coweta County Commissioners to visit Smyrna and Duluth town centers on Friday, February 11, 2005.
- On March 7, 2005, Lifeline Screening will hold a health screening at the Bridges Recreational Building at 8:30-4:00.

Mayor Staley polled the Council for comments. There were none.

There being no further business coming before the Council, the meeting was adjourned.
