Public Comments -

- Polly Garlington -
 - Is there going to be a response on the Cash Management Policy
 - The charter says all contracts should come before the Mayor and Council
- Joe Bridges -
 - Should talk to other towns on how they get their audit completed on time
 - On the cash management policy, \$10,000 is too much for the office to spend without the Mayor and Councils approval

Polling of the Council -

- Clay Cole - The right of way on Highway 16 past Billy Jack Mobley's house needs to be cut. You can't see the oncoming traffic for the trees and brush that has overgrown the right of way. GDOT needs to be contacted to get them to get it cut.
- Celene Davenport - The decision for the cost of the website needed to have been brought before the Mayor and Council in a meeting. Sent a certified letter to the town (which was read at the meeting) was not picked up. The letter is attached to these minutes.
