Sec. 13.11. Appeal from denial of permit.

(a) In the event that the town council determines that an applicant is not eligible for a permit, the applicant shall be given notice in writing of the reasons for the denial within sixty (60) days of the receipt of its complete and accurate application by the town council, provided that the applicant may request, in writing, that such period be extended for an additional period of not more than ten (10) days at any time before the notice is issued in order to make modifications necessary to comply with this Chapter. An applicant may appeal the decision of the town council regarding such denial by filing a written request for a hearing with the town council within ten (10) days after he is given notice of such denial. The town council's decision on the application shall be final unless an appeal is timely filed. An appeal shall not stay the town council's decision on the issuance of a permit. The applicant's written request for a hearing shall set out the grounds on which the denial is challenged. The hearing shall be conducted before the Mayor and Town Council at a reasonable date and time established by the Mayor and after reasonable notice to the applicant. At the hearing, the Mayor and Town Council shall receive oral and written testimony regarding the application. Hearings shall be conducted under procedures established by the mayor, which shall be consistent with the nature of the proceedings and shall ensure that each party may present evidence, cross-examine witnesses and be represented by legal counsel.

(b) The Mayor and Town Council shall conduct the hearing within thirty (30) days after receipt of the applicant's written request for a hearing unless the applicant requests an extension in writing. The Mayor and Town Council shall render a written decision and issue notice thereof to the

applicant within ten (10) days after the conclusion of the hearing. The written decision of the Mayor and Town Council shall be final.

(c) In any instance in which the applicant's establishment is to be situated within one thousand (1,000) feet, as measured hereunder, from another proposed establishment for which a previously filed permit application under this Chapter has been denied, and the previously filed application is still subject to appeals, the town council may grant the permit on a conditional basis, subject to the outcome of the appeals on the previous application. A permit so issued may be withdrawn and denied effective upon the third day after notice thereof is given to the operator following the resolution of the appeals on the prior permit. In case of denial the applicant shall have the same rights of appeal hereunder as if the permit had been denied in the first instance.

(d) The provisions of item (2) of subsection (b) of Section 13.9, above, shall not be construed to prohibit a sexually oriented business for which there is a permit from relocating to another location situated within one thousand (1,000) feet of its existing location, provided that the proposed location complies with all applicable requirements of this Chapter other than its proximity to its own existing sexually oriented business location. An original permit application shall be required to be filed for the proposed relocation, and the town council shall conditionally grant the application, if granted, on the stipulation that the permit will not actually be issued until the applicant discontinues operation at its existing location and surrenders the permit for its existing location. Any such relocation must be completed within one hundred eighty (180) days from the date that the permit is conditionally granted or the conditional grant of the application will become void. Pending the removal of the sexually oriented business to its new location, both the old and new locations shall be deemed to be operating under a permit for purpose of measurements to locations of other proposed sexually oriented business for which applications may be filed.

(e) In any instance in which the proposed sexually oriented business tract description submitted by an applicant pursuant to Section 13(c)(6) of this Chapter, above, for a permit reflects a tract or parcel of land that has resulted from a subdivision of property for which compliance with the applicable subdivision requirements of this Chapter was required, and the town council determines that the property has not been lawfully subdivided in accordance with the proper subdivision requirements, then the town council shall cause all measurements and determinations regarding the issuance of the permit to be made on the basis of the parent tract from which the subdivision was made, rather than the subdivided tract.

(a) Licenses and permits issued under this Chapter are not transferable as to licensee or location. A licensee shall not conduct a different classification of a sexually oriented business than that designated in the license or conduct a sexually oriented business under the authority of a license at any place other than the address designated in the application. (a) A license or permit may be renewed by filing an application for renewal on a form provided by the town council. The application for renewal shall be received by the town council not less than forty-five (45) days before the expiration of the license or permit. When the application for renewal is received less than forty-five (45) days before the expiration date, the expiration of the license or permit shall not be delayed, postponed or otherwise affected.

(b) The town council may deny an application for renewal for any reason for which an application may be denied or revoked under this Chapter.

(c) An application for issuance or renewal of a sexually oriented business license shall be accompanied by such fee as required under Section 13.8.

13.17. Procedure for revocation, suspension and denial of renewal of existing licenses and permits.

(a) If the town council determines that grounds exist to suspend or revoke a license or permit, or to deny an application for renewal of a license or permit, the town council shall notify the designated license holder, permit applicant, or permittee (respondent), as applicable, in writing of the intent to deny, suspend, or revoke, which notice shall include a summary of the grounds therefore. The notice shall be sent by registered or certified mail to the address of the designated license holder, permit applicant, or permittee listed in the current year's license or permit application or renewal application.

(b) Within ten (10) days after the effective date of notice, the respondent may provide to the town council in writing a response which shall include a statement of reasons why the license or permit, or renewal thereof, should not be denied, suspended, or revoked and which may include a request for a hearing. If a response is not received by the town council in the time stated, the denial of renewal, suspension or revocation shall be final, and notice thereof shall be sent to the applicable designated license holder, permit applicant or permittee by registered or certified mail.

(c) Within ten (10) days after receipt of a response, the town council shall either withdraw the intent to deny the renewal, suspend, or revoke, and so notify the respondent, or shall deny the renewal, impose a suspension or revoke the license or permit. Following a decision to deny renewal, suspend or revoke a license or permit, the town council shall send notice thereof to the respondent, which shall include a statement of the reason(s) for the denial, suspension or revocation. The effective date of notice shall be the date the notice is actually received or five (5) days after the date the notice is mailed, whichever occurs first.

13.18. Appeal from suspension, revocation or denial of renewal.

(a) An applicant may appeal the decision of the town council regarding a suspension, revocation or denial of renewal of a license or permit by filing a written request for a hearing with the town council within ten (10) days after he is given notice of such denial. The town council's decision

on the application shall be final unless an appeal is timely filed. The applicant's written request for a hearing shall set out the grounds on which the town council's decision is challenged. The hearing shall be conducted before the Mayor and Town Council at a reasonable date and time established by the Mayor and after reasonable notice to the applicant. At the hearing, the Mayor and Town Council shall receive oral and written testimony regarding the application. Hearings shall be conducted under procedures established by the mayor, which shall be consistent with the nature of the proceedings and shall ensure that each party may present evidence, cross-examine witnesses and be represented by legal counsel.

(b) The Mayor and Town Council shall conduct the hearing within forty-five (45) days after receipt of the applicant's written request for a hearing unless the applicant requests an extension in writing.
